

ANNOUNCEMENT

**35th Annual Convention, Seminar and Exhibition on Exploration Geophysics
3 - 5 October, 2013, Campus of Indian Council of Agricultural
Research, New Delhi, India.**

Association of Exploration Geophysicists is organising the **35th Annual Convention and Seminar on Exploration Geophysics** during **3-5 October, 2013** at **Campus of Indian Council of Agricultural Research, New Delhi, India**. The seminar is sponsored by various National Organisations, Government and Private, engaged in geoscientific activities in India. This seminar will be of immense value to professional geoscientists, industrial planners, investors, engineering geologists and research scholars of geosciences. The delegates of the seminar will share a comprehensive review of the geological, geophysical, engineering and educational challenges. A number of renowned geoscientists from India and abroad will be presenting state of art practices in geosciences. This will be a unique opportunity to enjoy a broad cross-section of geology, geophysics and related technology in the technical sessions.

Themes

- **Geophysical Exploration for Hydrocarbons**
- **Geophysical Exploration for Coal, Minerals including Atomic Minerals**
- **Geophysical Exploration for Groundwater, Engineering and Environmental Studies**
- **Advanced Modelling, Inversion and Interpretation of Geophysical Data**
- **Geological Modelling of ore and Mineral Forming Processes**
- **Remote Sensing – Applications in Earth Sciences**
- **Integration of Geosciences**
- **Future Trends and Technologies in Geosciences**

Special Theme: Integration of Geosciences and Societal Development

Papers are invited from participating scientists as per the guidelines of Journal of Geophysics.

Only those papers which are received before **10th September, 2013** will be considered for presentation in the seminar. Original scientific contributions are encouraged and invited.

Workshop

A workshop shall be held on 3rd October, 2013 with the theme being “*Integration and interpretation of Earth Science Data Sets*” wherein various techniques being applied by the exploration agencies, acquisition of data, processing techniques and identification of favorable targets shall be discussed. Participation of delegates in the workshop is restricted to 50 with a nominal registration fee (see section C of the registration form). Delegates attending the seminar are requested to fill in the registration form accordingly with requisite registration fee.

Exhibition

An exhibition of geophysical and allied instruments and state of art software will be organised during the seminar. The exhibition will enable delegates to gain a comprehensive overview of the products and services available as well as an opportunity to discuss the latest developments with representatives from the major companies serving the needs of the exploration industry. Exhibits will span all sectors of the exploration industry, from minerals and petroleum to engineering and the environment. A wide range of publications of AEG and other institutions will also be exhibited. Further details can be obtained from Secretary, AEG.. There will be a **Best Exhibitor Award** which will be decided by the panel.

Members who would like to attend the seminar are requested to fill in the registration form and send the same with registration fee latest by 15th September, 2013.

For further deatails, if any, please contact:

35th Annual Convention and Seminar on Exploration Geophysics
3 - 5 October, 2013, Indian Council of Agricultural Research, New Delhi.

Registration Form

Please complete and forward this form to:

The Secretary,

Association of Exploration Geophysicists

12-13-157, Street No.2, Tarnaka, Hyderabad - 500 017

Section A : Delegate

Title: (Prof./Dr./Mr./Mrs./Ms.) Name			
Designation			
Organisation			
Postal Address			
City	Pin Code	Country	
Phone	Mobile	E-mail.	

Section B : Registration Fees

Delegate-Member AEG Rs. 2,500/- (US\$ 200 Foreign Delegates)

Delegate-Non-Member Rs. 4,500/- (US\$ 350 Foreign Delegates)

Delegate-Research Scholars Rs. 1,500/-

Student delegate Rs. 1,000/- Bonafide students studying PG Courses in earth sciences.
(Please send Bonafide certificate along with this form)

Section C : Workshop Registration Fees

Delegates Rs. 1,000/- (US \$ 100)

Students Rs. 500/-

I wish to participate in the Workshop:

Yes / No

Participation restricted to 50 Members

Registration fee must accompany all registration forms. All Cheques, Demand Drafts, Money Order must be payable to Secretary, Association of Exploration Geophysicists, Hyderabad. Foreign delegates are required to pay in US Dollars.

Details of Bank Account of AEG for sending the amount directly through Electronic Transfer

a. **Account Holder Name: Association of Exploration Geophysicists**

b. **Bank Name: State Bank of Hyderabad, Osmania University Branch, Hyderabad**

c. **Bank Account of Number: 52198268342**

d. **MICR Code: 500004044**

e. **Indian Financial System Code (IFSC) : SBHY0020071**

Fee Enclosed
